

# **Jeffrey J. Hahn, P.E.**

Vice President, Hahn Engineering, Inc.

## EDUCATION:

BSGE - 1988 U.S. Naval Academy, Annapolis, MD

## Professional Registration:

- Professional Engineer - 2002 Florida 58045

## Professional Affiliations:

- Institute Electrical & Electronic Engineers (IEEE)
- Society of American Military Engineers (SAME)
- Illumination Engineering Society North America (IESNA)

## PROFESSIONAL EXPERIENCE:

Jeffrey J. Hahn, P.E., Vice President, is design engineer, project manager and construction inspection supervisor with extensive experience on a multitude of projects from small renovations to supervision of multi-million dollar military construction projects. Design projects completed by Mr. Hahn include numerous recreational facilities, a mix of small and large commercial and retail facilities, schools, grocery stores, light industrial, large residential and office space.

While with the U.S. Navy, his project engineer duties involved substantial coordination among city and host nation authorities, the general contractor, the U.S. Navy and the general public. Mr. Hahn also served as a Public Works Officer.
